Q. How much will it cost ?

A. Granites vary substantially in price. The best way to obtain an accurate price is to fax a plan of your kitchen to **0845 458 9693** stating which Granite you require. Though you can also get an indication from this price guide.

Q. How long will it take ?

A. Normally prices are faxed the same working day, but if you have a special requirement please contact us at the number below.

Q. How quickly can I have the surfaces installed ?

A. On most occasions Granite work surfaces are fitted approx 7-10 working days after receipt of the template.
